from the police academy in 1991. Rodney has 32 years of of experience as a Police Officer and has worked for the city for 28 years.

**Josh Corn, Police Officer:** Josh began working for Elkton Police Department in December 2013.

**Keilo Jefferson, Police Officer:** Keilo has been with Elkton Police Department since August 2017.

## From the Mayor's Desk

I am always glad when spring arrives, there is freshness in the air and the flowers and trees begin to bloom and the birds chirp a different song. Everyone I know wants to get outside and enjoy the newness of the season. It is time to work in the yard, plant flowers and start planting the garden and making the repairs needed on our property.

To start the process, Elkton's Annual Spring Cleanup will be on Monday, April 15 through Wednesday, April 17; a time to get rid of the large items and junk around your property.

So, I have an April Challenge. Take a look at your property - what needs cleaning, what needs painting, what plants need replacing. We want everyone who lives in and visits Elkton to see the prettiest, cleanest city around. Let's all commit to some Spring Cleaning.

When you walk the sidewalks or on the trail at the park, please don't litter and help keep our city a clean city. If you see repairs that need to be made, call City Hall at 270-265-9877 or email [cityhall@elktonky.com](mailto:cityhall@elktonky.com) and report the concern.

Spring brings growth and there are talks of new housing, new business adventures and new opportunities in Elkton. It is my hope we will see some needed growth in our city.

One meeting I attended recently talked about the opportunities we all have in Elkton and Todd County to connect to high speed internet through fiber cable from Hopkinsville EnergyNet and Pennyriple Electric collaboration. You can indicate your interest at [www.goenergynet.com](http://www.goenergynet.com). The city of Elkton is broken down into 9 areas. And, when there is enough interest in one area they will then have an opportunity to see the internet available in that area. Look for more information soon in your Pennyriple Electric bills. High Speed internet is a great asset to our City and County and it will help growth and development.

Mayor Arthur Green

### **Annual Spring Cleanup**

**Monday, April 15<sup>th</sup> – Wednesday, April 17<sup>th</sup>**

**WHO?** Residents within Elkton city limits only.

**WHAT?** Large items and junk.

**HOW IT WORKS:** Move items to the curb and the City will pick them up and dispose of them. **Items not to the curb by Wednesday, April 17<sup>th</sup> will not be picked up!**

**Do not use any container  
you wish to keep.**

The city **WILL NOT** pick up:

batteries, construction and demolition waste, paint, Freon, shingles, electronics and televisions, tires, tree toppings, limbs, regular household garbage, oil, gasoline, and any other item deemed hazardous or harmful.

Any senior citizens or disabled persons needing help moving items, please call City Hall at (270) 265-9877 by Monday, April 15<sup>th</sup> at 4:00 PM.
