**HAPPY BIRTHDAY TO MRS. CHRISTINE HIGHTOWER WHO WAS 100 YEARS YOUNG ON
JANUARY 9, 2020**

This year 2020 is the Bicentennial year for the City of Elkton, our 200th birthday.

We started the year off with a New Year's Eve party and will continue with activities throughout the year 2020. Two dates to mark on your calendar are April 22nd and May 8th. The city will have planned activities for those days. If anyone has pictures of Elkton from 1820 to 2020 please share those with City Hall. We would like to share our story with the public.

Stay tuned for more information to be released. If you have any suggestions for our 200th celebration, let us know.

If you are interested in being a sponsor for our celebration, check out the city web page.

CONGRATULATIONS ELKTON FIRE DEPARTMENT

The volunteers that make up the Elkton Fire Department go above and beyond in the efforts they make to keep us safe. The state requires that a department maintain 50% of its members certified. **Our volunteers are at 93% certification. A great Achievement!!**

CONGRATULATIONS GO OUT TO EACH MEMBER OF THE ELKTON FIRE DEPARTMENT.

If you are interested in being a volunteer, contact Derrell Waggoner, Fire Chief, for information.

Sewer Renovation

Work on our system should start in February, and we will have work done throughout the city making repairs. If work is done near your home, you may smell a glue like odor in your house or business. If this occurs, open windows or doors to allow the fresh air to enter. The glue is not harmful, but the smell may be annoying. The contractor will make contact with you or a door hanger will be placed on your home to give you more information. If you have any questions, just call City Hall at 270-265-9877. We are looking forward to getting these improvements to our system started and completed.

PLANNING AND ZONING

Elkton Planning and Zoning Committee has been expanded by three new members with recent reappointments and appointments. New appointees on the committee are: Rodney Seay, Tyler Wiseman, and Nakita Barrow-Kennedy. The committee will be reviewing all ordinances pertaining to planning and zoning. If you have any concerns, please let us know at City Hall.

U.S. CENSUS

On April 1, 2020, all persons living in the United States must be counted. More importantly, all who live in the City of Elkton need to complete the Census. Beginning April 1st, you can complete the Census on your personal computer, or at the public library. **Remember Everyone Counts.** As a community, we need you, so please complete the Census survey. If you have any questions, please feel free to contact City Hall.

Dates to Remember

City Hall will be closed on Monday, January 20th in observance of
Martin Luther King Jr. Day
And
Monday, February 17th in observance of President's Day
