Among the biggest changes :

- Restaurants and bars will be closed for indoor dining services (can still do outdoor dining, delivery and to go)
- All middle and high schools and all universities (public AND private) will be required to be virtual through the end of the year beginning November 23rd
- Elementary schools may reopen December 7 if their county is not in the red zone and the school follows all Healthy at Schools guidance
- Event spaces are limited to 25 people-including conferences, events, weddings, funerals, etc.
- Gyms/pools/fitness/indoor recreation- reduced again to 33% capacity and cannot hold group classes, team practices or competition
- Social gatherings should consist of no more than eight people from two families (your household and one other)

Professional services encouraged to work from home and if there are people in the office it should be back down to 33% capacity
