CITY OF
ELKTON

Memorial Day is May 31: For many folks this is just a day off from work, the start of summer activity and time at the lake and picnics. BUT PLEASE STOP and think about all the men and women who have given their life in defense of this country in order for us to have our freedoms. Always remember the truth: FREEDOM IS NOT FREE; someone must pay the price to keep it. So, look around and see where you can help all people be free.
