Delta strand is going strong in our county and in the state. The County Health Department and many of the Doctors' offices and Drug stores are providing the vaccinations for Covid. Please check with your doctor to see if you can or should get the shot. Please wear your mask when you are advised or asked too. Let's beat this virus and keep our lives moving forward. Prayers for those who are sick and those who have lost loved ones.

STOP AND LOOK OUT FOR STUDENTS

School has started, we will see more automobiles in the city, more busses, and more children walking the sidewalks and streets. So please slow down, look out for the folks crossing the streets at intersection and other locations in the city. We are glad to see the schools back in session.
