## **Yard of the Month:**

The September yard of the month belongs to Marcie Collins, 218 Allensville Street. She will have a sign placed in the yard and receives \$30 in Chamber bucks to spend in Elkton. All yards and homes are observed each month for neatness, color, landscaping and seasonal decoration. Keep up the good work, you may be selected for next month!

The ELKTON mural is a great addition to the city of Elkton and will be enjoyed by all who come to Elkton, much appreciated is the volunteer work of Darlene Groves and Kim Rager, two very talented Todd County Citizens. These two ladies devoted much time to the design and painting of the ELKTON mural. With just a few finishing touches it will be completed. Please thank Darlene and Kim when you see them for this painting. Also, thanks to Michelle and Mac Johns for allowing the mural to be placed on their building. More murals are planned for the city.

City Hall Welcomes Emma Petrie. Emma is a Todd Central Co-op student for the 2021-22 school year. You will see Emma in the afternoons at City Hall.

Fall is in the air, and we will begin to see the harvest of corn, soybeans, and pumpkins. And many fall displays will be placed in the city with these crops and plenty of mums. These additions make our city a welcoming place for visitors. However, if your garbage can is overflowing within a day or 2 of pick up you may need to add an additional one to your household. Just contact City Hall to get the additional can, we don't want to fine anyone for littering.

Leaf pickup will start on October 25 and run through December 8<sup>th</sup>, pickup will be on Monday and Wednesday of each week.

**Fee Update:** Additional fees will soon be added to any of our water customers who have meters larger than a household meter. These fees are needed to cover the cost of testing and meter replacement, the city has also eliminated the water rate reduction over 40,000 gallons per month. In addition, **effective November 1<sup>st</sup>**, anyone paying for services with a credit card will begin paying the card processing fees on their payment that the credit card company charges.

**COVID** Covid is going strong in our county and in the state. Please check with your doctor to see if you can or should get the shot. Please wear your mask where you are advised or ask too. Let's beat this virus and keep our lives moving forward.

I read this from *Life Learned Feelings*, and I think it has a lot to say about today's world. Let's count our blessings instead of our problems.

"Hate has 4 letters so does Love. Enemies has 7 letters, so does Friends. Lying has 5 letters, so does Truth. Negative has 8 letters, so does Positive. Under has 5 letters, so does Above. Cry has 3 letters, so does Joy. Anger has 5 letters, so does Happy. Right has 5 letters, so does Wrong. Hurt has 4 letters, so does Heal. It means life is like a double-edged sword...so transform every negative side into an aura of positivity...We should choose the better side of this life.
