Streets to be paved: Elkton received \$43,050.00 from state discretionary road funds and the council has approved the bid from Scotty’s Contracting & Stone to pave the following streets that were approved by the state: Weathers avenue, Kimberly Street, sections of Morningside Drive, , Deborah Street, and Micah Street. This paving will be done sometime this year and other streets work is being evaluated. Due to cost of blacktop, the city added \$13,096.00 to the discretionary funds to complete this project.

Public Square: Recent work has been done to repair some curb settlement on the north side of the square to improve safety, summer flower planting has been completed and the side walks are being cleaned. Some beginning work is being done on city hall to update and improve the look of the building.

We have a beautiful square and we appreciate your help in keeping it clean by putting trash in the cans around the square. Please shop, at the local shops and restaurants and sit and enjoy this beautiful space.

November General Election will find the following citizens on the ballot to serve in Elkton: Arthur Green for Mayor and the following for city Council: George Orr, David Powell, Frank McReynolds, Michael Case, Doug Gibson, Big John Mullins, John Rice, and Danny Laster. Names are listed as they will appear on ballot.
