NEW FILING DATE FOR CITY COUNCIL

This is election year for city council members seeking a 2-year term, the state has changed the filling date to June 2, 2020. If you desire to run for city council, you need to go to county clerk's office to obtain a petition to be filled out and returned by June 2.

Utility Bills

During this shut down we have made changes to reduce some fees and not cut off water, sewer or garbage pickup. These changes do not reduce your basic bill, we need you to make payments on a monthly basis, if that is a challenge during these times please contact city hall.

Sewer Improvement Project Update

We have completed all our inline repairs in the city, now there is working being done all over the city where we are digging up old sections of pipe and replacing with new. Repairs will be made to yards, sidewalks, and driveways were this work is being done before the job is completed. So please be patient with the improvements to city infrastructure.

Code Enforcement

Please be mindful of the grass that needs mowing, trash that needs hauling off, permits needed for building additions, dog pens, etc. Some letters from city hall will be mailed soon to citizens who need reminders. We have a beautiful city, lets keep it that way. Thanks for your help.

Businesses and Workplace Opening

As our local businesses beginning to reopen, please support their efforts to open and to have safe environments. They will work to keep the costumers safe and their employees safe. It is important to keep a vibrant local economy.
