**Welcome Deborah Jo Ellis**, she is a native Todd County resident from Guthrie, daughter of Joe & Geraldine Carter, both from Todd County. Deborah Jo's husband is Steve Ellis, he is the Maintenance Manager at Koppers in Guthrie. They have four children and they keep her busy! Deborah Jo is also the treasurer at Elkton Baptist Church, and when not working or driving the kids from one event to another, she is usually helping her husband on the farm where they raise tobacco, beans, and alfalfa as well as own cattle. Deborah Jo will be working front desk at City Hall on Thursday and Fridays.

**SAFETY is KEY:** Schools will soon be out, and children and adults will be out on the roads and sidewalks and parks: Please watch out for your neighbor. Slow down and watch for folks crossing the street.

Help the city be safe if you are in your yard or on the sidewalk and see a sewer cap or a water cap that is off or is loose or is broken. **Please call city hall we need to make repairs to fix the problem.** All water meters and manholes should have a locked cover on it.

**Memorial Day:** Monday, May 30 we observe a National Holiday to remember the men and women who have served our Country and given the ultimate sacrifice of their life. As we look around the world and see the fighting and see freedoms taken from citizens. We must always remember and understand that OUR FREEDOMS ARE NOT FREE, and that they can disappear quickly. So as you go about your day. Please stop and say a prayer for all families who gave their loved one for freedom. Also pray for those who are serving now and pray they never have to give the ultimate sacrifice. Stop and tell your children and grandchildren why we have this day, it is not just a day off with a picnic or a day at the lake.

May God continue to bless the United States and may the United States thank God for the blessings.
