HAPPY  
*holidays*

Holiday Season: It is the time of year we begin to celebrate the holidays, with Thanksgiving soon to be celebrated and with Christmas on the way. I hope we all stop to celebrate the reason for the Season and to count our blessings for the many opportunities we have to live and prosper in our community. Always be aware of those in need in our community and I am thankful for all the individuals and groups involved in helping those in need. Thank you for making this city and county a great place to live. Even with all the problems in the area we are greatly blessed, and I know our blessings come from the God of creation. So please stop and count your blessings. Enjoy the holidays and time with family and friends.
