

Mayor's Upper Window

Arthur Green, Mayor

CITY OF
ELKTON
KENTUCKY

Thanks to Charlotte Myers for coordinating the Christmas Parade, it was a great night for a beautiful parade, and thanks to all who were in the parade. This parade is great way for the community to come together to celebrate the Holiday Season.

The Square is beautifully lit for Christmas, the business windows are gorgeously decorated and the lights around the historic courthouse make this a Hallmark city. Special thanks to the Beautification Committee for the decorations, Laura Brock, Leslie Rager, Cloie Rager, Paisalie Case and Dottie Bell it looks great.

RECYCLE your real Christmas trees. If you have a real tree, place tree at edge of your yard & call city hall; it will be picked up & recycled to improve fish habitat. (270-265-9877)

MERRY CHRISTMAS AND HAPPY NEW YEAR. During this season of the year, I believe we all take time to think about the year that is coming to an end and what will the next year bring. It is easy to concentrate on the negative things of our life and our community. I believe we must pause and count our blessings, to be aware of where we live and how fortunate we are to live in this part of the USA. During this season, we seem to be more loving and giving and concerned about our neighbors. This love and concern should go on every day. I believe as we think more about the reason for the season and celebrate the birth of Christ, we recognized it is a season of Love and we should share that love with all.

I challenge you to be Thankful and encourage your neighbors and friends to count the blessings of freedom in this country and the grace of God for all mankind. Merry Christmas.
