National Work Zone Awareness week was April 17-21st, 2023. Last year in Kentucky: 1,083 construction zone crashes, 272 injuries & 5 fatalities.

When you see work zone signs, please slow down & be careful. The people working on the city streets, county roads, state highways & interstate want to make it home from work each night.

This years theme is "You play a role in work zone safety. Work with us." Stay safe on the roads. We are depending on **YOU**.

400 Mile Sale & Elkton Yard Sale Days

Hundreds of yard sales, food vendors, & antique shops will participate in Kentucky's annual 4-day yard-sale event along Highway 68 & 80 the first weekend in June. This year's event will be held Thursday, June 1st through Sunday, June 4th, 2023.

The city of Elkton will once again hold **YARD SALE DAYS** in conjunction with the 400 Mile Sale. Each year, nearly 30 or more yard sales are held in the City during the four-day sale & all reported selling a lot of stuff & having a wonderful time! **The City of Elkton waives the Yard Sale permit fees during this event & the yard sale does not count towards your four-day annual limit.** You can register your Elkton Yard Sale on the www.400Mile.com website & you will be listed on the main event webpage & map. The City of Elkton will also publish a list of all yard sales being held in Elkton the week of the sale. Please register your Yard Sale by Friday, May 26th, to be included in the city publication.

If you have any questions about YARD SALE DAYS call Elkton City Hall at 270-265-9877 or email cityhall@elktonky.com.
