Elkton-Todd County City Park News:

It has been a busy time in the park, with soccer & baseball games most every day of the week. We had Novelis donate a day of labor in the park to improve the facilities as well as a cash donation to buy needed items, & Danny Laster lead a crew of volunteers from The Church of Jesus Christ of Latter Day Saints to paint the bridges & the gazebos. The city just approved a bid of \$105,000 to replace the lights on field 3 & soon will be bidding for new playground equipment in the park.

Mayors Note: BE THANKFUL. As we approach the holiday season, I am reminded of how blessed I am to live in America, to live in Todd County & to have the freedoms that most people in the world only dream of. I am thankful that I have the freedom to worship the God of Creation, to experience the Blessings of Life. I, like many others, are concerned that our country is headed from freedom to authoritarian leaders, people who ignore the law of the land & the law of the Bible. People who will say & do anything to have their way. So, I ask as you set down with family & friends for this Thanksgiving holiday, to count your blessings & give thanks to the Lord for them & pray that the goodness & greatness of the country will prevail. Happy Thanksgiving! Share your blessings with those who need your help.
