**Mayors Thoughts:** As we enter this holiday season, & think of Thanksgiving & Christmas, I believe the world begins to show the love for our fellow man that we are to display every day. The events of the world look dark & dreary. Conflict, gun violence, individuals expressing anger, demands solely focused on personal desires, & a lack of consideration for our existing possessions, instead fixating on what we desire & preventing others from obtaining it. But this is not the world we are to be. We live in a caring community & we live in a wonderful place to call home.

As we enter Thanksgiving, I believe we will stop to be thankful for what we have, but we should do this every day. We should be looking all the time for how we can help our neighbor (not just for angel tree, coat drives, or food drives, during this season) today & every day.

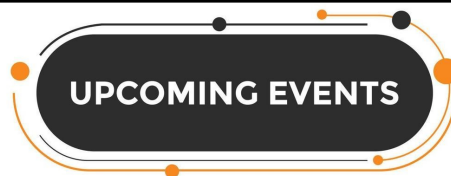

As we think of Christmas gifts & sharing with family & friends during this holiday season it should be our daily goal. As our community becomes bright with Christmas decorations, lights shining & blinking, my thoughts go to two verses:

**John 8:12** *I am the light of the world, he that followed me shall not walk in darkness, but shall have the light of life.* We celebrate Christmas because of this light

**Matthew 5:16** *Let your light so shine before men, that they may see your good works, and glorify your father which is in heaven.* If all mankind did this, we would have a great world to live in.

**Leaf Pick Up:** Every Monday & Wednesday beginning Oct. 23rd-Dec. 6th.
