May 7, 2024

Dear Business or Individual;

The new Todd County Fair Board is partnering with the Todd County Extension Service to bring the Todd County Fair back to life. The 4-H/FFA market goat and sheep show is set for August 1, 2024. The Fair board also has plans to host other agriculture events during the 3 day fair – July 30 – August 1st as well as throughout the year. The primary goal this summer is to build an outdoor arena to expand the 4-H/FFA livestock and horse program in the county as well as offer outdoor community events in an outdoor arena.

The Todd County Fair Board is looking for donors to purchase Preifert panels to enclose the 150 foot by 230 foot arena area on site. A total of just over \$12,500.00 is needed to build the arena. Our long-term plan is to add a tractor, drag, pavilion, bleachers and signage to the grounds to make it suitable for community events and the Todd County Agricultural Fair.

Todd County hasn't had an outdoor arena since Libby's in Daysville. Our youth and families have to travel to either Christian County, Logan County or out of state to ride or show in an arena. Your sponsorship would mean that families would have access to this right here at home. Your company or individual donor signage will proudly be displayed at the arena in exchange for your donation.

Thank you for your consideration of making a lasting donation to support the youth and agriculture enterprises in Todd County. Checks should be made payable to the Todd County Extension District and dropped off or mailed to the Todd County Extension Office no later than June 21st so we can get the arena ready for the August 1st show!

Sincerely,

Arthur Green
Todd County Fair Board President

If you have questions about donating to the arena, contact - Lee Ann McCuiston, 4-H agent and arena project coordinator.

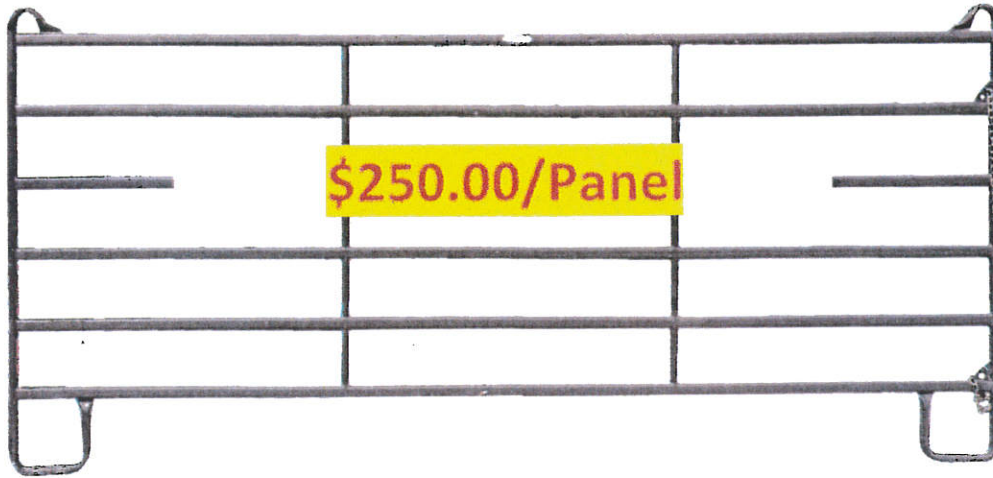

NEW TODD COUNTY FAIR OUTDOOR ARENA

The Todd County Fair Board needs your help to build a 150 by 230 foot outdoor arena for 4-H/FFA youth and open livestock shows, our 4-H Horse Club and other horse/outdoor activities as well as other community events on site at the Todd County Extension Office, 240 Pond River Road, Elkton, KY 42220.
