The July 4th celebration, will be on July 3rd & will be on the Elkton City Square, just as last year. The square will be closed to auto traffic & only open for foot traffic. Bring your chairs & blankets & find a spot in the city to enjoy the music, food, fellowship & fireworks. Bounce Houses, sponsored by Elkton Baptist Church, will be on the lawn behind the Milliken House.

“SIGNS” a song released by the Electrical Band in 1971 is going around in my head. Signs, signs, everywhere there is signs. Yes, I see signs of all the damage done on May 26th in the city of Elkton. Trees & limbs down all over the city. I see signs of neighbors helping neighbors clean up. I see signs of progress being made in the worst tree disaster in the life of the city. I also see signs of the blessings we had during the storm of no one injured. Yes a few houses had damage, but I see the blessings of Gods protection in the city.

Thanks to everyone who helped people in need on Sunday, May 26th. Thanks to the businesses who opened to provide assistance to folks in need. Thanks to Pennyrile Electric for your monumental effort to get the electricity back on after all the pole & line repair. It does take a community to be successful.

During the week of June 10th, we have made a complete sweep of the city. We are officially calling storm damage cleanup in the city completed & will revert to our assisting resident with their normal trimming pickup. City residents can continue to take your limbs to the sewer plant for disposal. Thanks to everyone for your hard work in cleaning up the storm damage. We will continue to see work done in the coming weeks to see all the damage to homes & yards repaired.

I see other signs too. Speed signs, stop signs, caution signs, crosswalk signs, that are being ignored in the city. We have had pedestrians hit on the square crossing in the crosswalk areas. We have numerous close calls for other pedestrians. The number one complaint in the city on all streets throughout the city is that traffic is going too fast. We have met with the district transportation office to try to find solutions that will protect our citizens. PLEASE SLOW DOWN ON THE CITY STREETS & THE CITY SQUARE.

**Park Improvements coming soon.** During the last days of June & first days of July, you will see old playground equipment removed & new playground equipment being installed. This addition is the last work from our last park grant. The City & County continue to assist the park in all the improvements.

The date to file to run for Elkton City Council has passed & we have eleven city citizens seeking the six seats on the city council. Voting will take place on November 5th. The Elkton Council candidates & their position on the ballot are:

- 1. Emily Ann Carroll**
- 2. George Orr**

- 6. Megan Willenborg**
- 7. John Rice**
- 8. David Powell**
