The city has recently purchased this speed trailer & will be moving it around the city to remind motorists to slow down. We hope this will make motorists more aware of their speed on city streets.

SCHOOL HAS STARTED. Due to school starting & the need for drivers to slow down, the city police department will make a more focused effort to warn and/or ticket speeders in town over the next few weeks. Please be aware of students walking to school, crossing the streets, & watch for the busses stopping to load & unload student. When the STOP SIGN is out on the bus you need to STOP.
