## Hometown Harvest

WOW! What a special event it was at the Hometown Harvest dinner. Even with the threat of hurricane rains, and the need to move our venue from the square into the Milliken House we were even able to celebrate the rain that night! It was a beautiful, fun filled evening with delicious food, fellowship, and great music. The Green River Academy's recognition of John Walton and the plans to recognize him in the build were truly inspiring; the video tribute was a wonderful addition to the event. Thank you to all of those who helped to sponsor and assist in any way. Special thanks to Cloie Rager, her parents, Kayce Bright, and Laura Brock who coordinated this event. None of it would have been possible without all of your hard work!
